

# Microfiber Autoscrubber Pads Usage Guide

## How to Attach Contec's Autoscrubber Pads to Machine

1. Place the autoscrubber pad cleaning side down onto a flat surface.

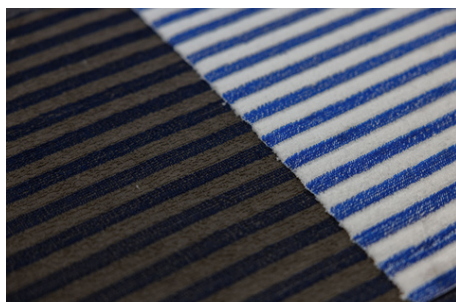

2. Attach the appropriate Connector pad to the back of the autoscrubber pad.  
Note: The Connector pad should be print side up.

3. Attach the paired pads onto the autoscrubber pad driver and secure according to the autoscrubber manufacturer's instructions.

4. Clean surface according to machine and chemical instructions.

5. Dispose when maximum soil load on cleaning pad is reached. Connector pads can be reused throughout multiple cleaning pad changes.
